# SYNOPSIS: ONE NIGHT

Paper Towns meets The Way Way Back in this warm and winning contemporary YA romance novel about teen angst, unrequited love, and self-discovery set to the beat of Elvis Presley's music.

Breakups are the worst.

Thompson is miserable. Can he get Caroline back?

With his mind on HER, his life takes an unexpected turn. Elvis gives him a job. He knows nothing about the world of celebrity impersonators, but he does know social media. And so starts his adventure.....where will it take him?

Will he find his true love?

One Night is a delightful coming-of-age tale--it is an unforgettable story of friendship and finding yourself, of heartache and healing, and of the remarkable turns a life can take in One Night.

# SYNOPSIS: ONE LOVE

Long-distance relationships are tough. Thompson should know.

He's going to college in Hawaii, but his girlfriend's in Italy. To keep busy he gets a job at Hawaii Western University's newspaper where he meets a cast of characters including Kenny, the paper's outspoken editor; Tony, a young father; and Charlotte, a copy editor who shares his love of Elvis's music.

Things get complicated when his friendship with Charlotte starts to feel like something more.

Which girl will Thompson choose? And will she choose him?

Will he discover that, despite what he believes, a person can have more than One Love?

One Love, the companion novel to *One Night* (2016), is a contemporary YA novel about college, first love, and friendship.

# SYNOPSIS: ONE TRY

For fans of *Let It Snow* by John Green, Maureen Johnson, and Lauren Myracle, *ONE TRY* is a charming Christmas novella set against a gorgeous Hawaiian backdrop.

When Thompson is home for winter break he finds out the Tiki House, the local hangout he loves to hate, is in financial trouble. Determined not to let one of his favorite places close, he and his friend Johnny concoct a plan to save it.

Thompson's ex-girlfriend is home for Christmas, too...And she wants to help.

What happens when the two get together to try and save their favorite Honolulu dive?

Part romance, part comedy, *ONE TRY* is about going for it—in life, love, and everything you do. It appeals to fans of Hallmark Christmas movies and novels by Debbie Macomber.

Though *ONE TRY* is the third part of the Thompson Lake series it can be read as a standalone young adult romance novella.

# PRAISE FOR THE THOMPSON SERIES

“One Night breaks away from the normal coming-of-age saga with an intense story of growth and self-discovery that’s very highly recommended for mature teens and new adults alike.” –D. Donovan, Senior Reviewer, Midwest Book Review

"Worth reading a million times. And it does not fall into every young adult trope known to man." –Evil Queen and the Flying Monkey Reads

“There’s no sophomore slump to be found here! Charming, pitch perfect, and laugh-out-loud-funny, One Love is a fantastic follow up, and – dare I say – even better than One Night.” – Lauren’s Crammed Bookshelf

"Thoroughly enjoyed this quirky cast of characters and the setting." -I Got the Books

"I really LOVED it!" -I Speak Bookish

# SAMPLE AUTHOR Q&A

- Where did you get the idea for *One Night*?
  - Answer: I was walking to the train station one night after work when the character of Thompson popped into my head. I wish all ideas came to me that way!
- Why did you set the book in Honolulu?
  - Answer: Hawaii is my favorite place to travel to. I love Honolulu.
- Who are your favorite authors?
  - Answer: John Green, Phyllis Reynolds Naylor, Erin Entrada Kelly, Lois Lowry, David Baldacci, Lisa Scottoline
- How long have you been writing?
  - Answer: I wrote my first story when I was five about a family of sea turtles. Haven't stopped since.

# AUTHOR BIO
